

**Fear ruins more
dreams than
failure ever will.**

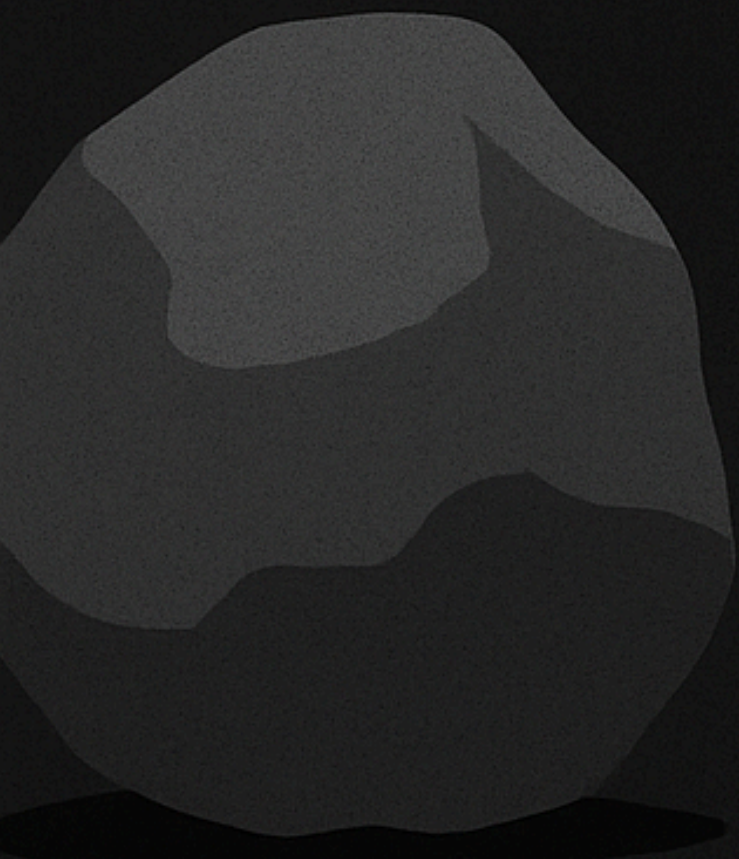

Fear isn't real.

It's what your mind magnifies.

Fear of Failure

*Fear magnifies.
Action shrinks.*

Fear of Rejection

*Rejection is
redirection.*

Fear of Starting

*Break the
chain. Start.*

Fear isn't the enemy. Fear of fear is.

Pick one fear.

Act against it today.

That's your win.

FEAR
